

The drawing shows a technical plan of a road intersection at Drogą powiatową 4715E. The main road runs vertically through the center. A secondary road crosses it horizontally from left to right. The drawing includes various traffic signs and signals:

- Vertical Road Signs:**
 - A yellow rectangular sign with "STOP" and "100 m" below it.
 - A green directional sign pointing up towards "Wieruszów" and down towards "Sokolniki".
 - A green directional sign pointing left towards "Wieluń" and right towards "Sokolniki Bolesławiec".
 - A blue rectangular sign with white text indicating directions.
- Horizontal Road Signs:**
 - A red octagonal "STOP" sign.
 - A blue rectangular sign with white text indicating directions.
- Traffic Signals:**
 - A vertical signal masthead labeled "U-5c_C-10 lkw" with multiple light lenses.
 - A horizontal signal masthead labeled "A-30 lkw" with multiple light lenses.
- Other Symbols:**
 - Blue circular signs with white symbols (e.g., pedestrian crossing, vehicle crossing).
 - Yellow triangular warning signs.
 - Red and blue dashed lines indicating boundaries or specific zones.
 - A large red circle highlighting a central area of the intersection.

Text labels in the drawing include "Droga powiatowa 4715E", "kierunek Sokolniki", "kierunek Bolesławiec", "Przystanek", and "stanowi oddzielne opracowanie".
